MOVING MOUNTAINS

#CLIMATECONFLUENCE

UNIVERSITY OF CALGARY CAMPUS
Fri. Sept. 30 & Sat. Oct. 1

Activation

Moving Mountains is a choose your own climate confluence where participants can learn about climate change and how they can create and take actions to reduce or prevent harm.

MM is for Activators, Helpers and Participants.
It is to build community, collaboration, and leadership through participatory learning.

Moving Mountains is using the mindset of Popular Education for all of our programming

Pop Ed

- Peer - peer
- Experience based
- Practical vs theoretical
- Active / participatory
- Knowledge comes from those learning
- Makes social change - it's a tool of revolution!

Activating

- Be present for the entire Block that you're activating
- Be early, stay on time
- Keep the session simple - no slides please
- Keep things to a few ideas

Activating

Starting

- Be early
- Check in at registration table in the foyer
- pick up name tag, pay cheque, and workbook
- fill out your receipt
- If needed, go to the Activators' ready room (#224)
- if needed sign in to the U of C Wifi, Instructions in the workbook

The Session:

- At room 15 min early to meet your host
- Give your bio to Host
- set up flip chart(s) / white board, handouts etc
- Host will introduce you and explain the 'rules' and schedule
- You guide 15 minute Check In (more later on this)
- Activate your session (60 min max!)
- You guide the 15 minute Check Out (more later on this)
- You're done.
- Hang around for the rest of the Block, and ideally the day so that you can interact with folks

Activating

Check in and Check out

- read the Activators google doc
- Prompts are in the workbook
- you have 15 minutes for this
- This is IMPORTANT
- Using reflect, pair and share process

- Check in Q's
 - Name?
 - Where are you from?
 - What are you curious about in this Session?

- Check out Q's
 - How did that feel for you?
 - Something new for you?
 - Something I'm going to try out with my new knowledge.

Activating

Things we need from you

- Session title
- Your bio
 - Chosen name
 - Who are your people?
 - Topic
 - What excites you about your session
 - A goal you have for the session
- Supports (flip charts, break out space, childcare space, pens, paper, other supplies, speakers...)

A stylized illustration of a mountain range. The mountains are rendered in various shades of orange, from light peach to deep burnt orange. The style is flat and graphic, with no shading or texture. The mountains are arranged in a series of peaks and valleys, receding into the distance. The sky is a solid light peach color. A white rectangular box with a slightly wavy top edge is positioned in the center of the image, containing the text.
